The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Sardinia Wastewater Treatment Plant & Lift Station Improvements Project in fiscal year 2025. The entity to receive funding for this project is the Village of Sardinia, OH, located at 151 Maple Avenue, Sardinia, OH 45171.

The project is an appropriate use of taxpayer funds because the project will fund improvements to the Village of Sardinia, Ohio's wastewater treatment plant and sewer lift stations to ensure clean water service for the residents of this rural community in need. Specifically, 6 blowers at the WWTP and 2 pumps at each lift station are beyond their useful lifespans and in need of replacement. All residents and visitors to the Village of Sardinia will benefit from the proposed improvements to the WWTP and lift stations. It is the highest imperative that the Village have properly functioning wastewater treatment facilities.

The project has a Federal nexus because the funding provided is for purposes authorized Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup".
