The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Tollgate Road /Williamsburg Village Sewer Expansion Project in fiscal year 2025. The entity to receive funding for this project is the Village of Williamsburg, OH, located at 107 W. Main Street, Williamsburg, OH 45176.

The project is an appropriate use of taxpayer funds because the project will fund expansion of village's sewer system to accommodate 40-100 residents and businesses along the Tollgate Road corridor, safeguarding public health, protecting our environment, and promoting economic development. In addition this connection would provide access to a 166 acre parcel that is prime for development, benefiting long-term growth in a rural area in need.

The project has a Federal nexus because the funding provided is for purposes authorized Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup".
