The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Williamsport Sanitary Sewer Improvements Project in fiscal year 2025. The entity to receive funding for this project is the Village of Williamsport, located at 300 Ballard Avenue, P.O. Box 1, Williamsport, OH 43164.

The project is an appropriate use of taxpayer funds because the project will fund preliminary costs of sewer inspection and rehab for the Village's 25-year rehabilitation plan, which aims to achieve necessary repairs, replacements, and upgrades needed to reduce inflow and infiltration, mitigate sanitary sewer overflows, and bring the system into compliance with regulatory standards. The project will deliver tangible benefits to the community, directly impacting public health, environmental sustainability, and overall quality of life.

The project has a Federal nexus because the funding provided is for purposes authorized Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup". The signature is fluid and cursive.
