The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Beaver Creek Sewer Extension Project in fiscal year 2024. The entity to receive funding for this project is the Pike County Board of Commissioners, located at 230 Waverly Plaza #1000, Waverly, OH 45690.

The project is an appropriate use of taxpayer funds because the sewer expansion project will provide much needed sewer service to residents in an area where currently few homes have access to public sewers. In addition, the area of service is a promising corridor for commercial and industrial development in the county, with access to rail, highway, power, gas, and water, but sewer is the missing link. Therefore, the project will both promote economic growth and provide much needed sewer service to the residents of the area.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Brad R. Wenstrup". The signature is fluid and cursive, with a large loop at the end.
