The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the YLA Cave Lake Center for Community Leadership Project in fiscal year 2024. The entity to receive funding for this project is the Ohio-West Virginia Youth Leadership Association, located at 3309 Horseshoe Run Road, Parsons, WV, 26287. The project itself is located at 1132 Bell Hollow Rd, Latham, OH 45646. The funding will be used to complete the kitchen food service area and dorm housing for forty-eight persons in YLA Cave Lake Center for Community Leadership Center's first youth leadership program building.

The project is an appropriate use of taxpayer funds because it will provide programs and space that will meet the needs of the next generation of civic, community, and business leaders. The Cave Lake Center will have a major impact on the youth of Southern Ohio, providing experiential and hands-on learning opportunities focused on living a healthy, drug free lifestyle, team-building, community service, job-readiness skills, and civic leadership development. This facility will also be an economic boost for Pike County and provide program and event space for schools, community groups, and others.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad R. Wenstrup".
