The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Alexander Salamon Airport Sewer Extension in Fiscal Year 2023.

The entity to receive funding for this project is Adams County Economic & Community Development (ACECD) Office, located at 215 N. Cross Street, West Union, OH 45693.

The funding would be used to construct a new sanitary sewer line with lift stations from the Alexander Salamon Airport to West Union's new wastewater treatment plant. The project will provide residents in the proposed project area, many of whom are all still on individual septic systems, with public sewer service. This will bring the county in line with state and federal goals to regionalize sanitary sewer treatment. More importantly, the proposed project will also make it possible for businesses to locate at the airport and at strategic locations along the new sewer line, increasing economic development opportunity and activity.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup".
