The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for SR32 Eastern Corridor Segment IVa in Fiscal Year 2023.

The entity to receive funding for this project is Clermont County Transportation Improvement District, located at 2381 Clermont Center Drive, Batavia, OH 45103.

The funding would be used for improvements along the State Route 32 corridor. This specific phase of the Eastern Corridor project will create a 7.5 mile free flow corridor by eliminating 3 traffic signals with the creation of a partial interchange at Glen Este-Withamsville Road and an interchange at Bach Buxton Road. The Eastern Corridor project represents the primary connective artery that connects Ohio, Kentucky, and West Virginia's Appalachian population to the Cincinnati metropolitan area. These improvements are critical for job creation and commerce to these underserved populations – many of whom are in low-moderate income areas. The critical funds needed for this improvement project will significantly improve access and quality of life to the Ohio River valley area, Appalachia, and dozens of counties in multiple states.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup".
