The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Circleville Home Sewage Treatment System Elimination Project in fiscal year 2024. The entity to receive funding for this project is the City of Circleville, located at 104 E. Franklin St, Circleville, OH 43113.

The project is an appropriate use of taxpayer funds because it will provide 34 homes and businesses in the City of Circleville, as well as five homes and a church outside of the city limits, with sanitary sewer service. Currently, such service does not exist and without it, sewage can enter streams and waterways and create public health risks. This project will address those public health risks by providing safe and reliable sanitary service to these remaining unserved homes and businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Brad R. Wenstrup".
