Re: Circleville HSTS Elimination

Dear Mr. Stanley

In regard to the failed or non-existent Home Sewage Treatment Systems directly in or adjacent to the City of Circleville; the City of Circleville supports providing sanitary sewer service to these homes and businesses. It is our understanding that there are 34 homes and businesses in the City limits and five homes and a church outside City limits, in Pickaway County, that are in populated areas, without sanitary service.

I agree with and fully support the project to provide safe and sanitary service to these homes, businesses, and church.

Sincerely,

Donald R. McIlroy
Mayor – City of Circleville
