Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Marietta Road Lift Station Project in fiscal year 2024. The entity to receive funding for this project is City of Chillicothe, Ohio, located at 35 S. Paint Street, Chillicothe, OH 45601. The funding would be used for the replacement and renewal of the Marietta Road Lift Station (Collector Sewer), which handles 20-25% of the city's wastewater but was built in 1972 and is reaching the end of its useful life.

The project is an appropriate use of taxpayer funds because the lift station faces ongoing issues due to a lack of backup power and hydrogen sulfide corrosion in the wet well. Replacement and renewal of the lift station would serve the community's needs and support future economic development in the area by expanding capacity for new businesses to move into Chillicothe.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Brad R. Wenstrup". The signature is fluid and cursive, with a long horizontal stroke at the end.
