March 22, 2023

To whom it may concern,

My name is Nicholas Michael and I am the council president of the Village of Pomeroy, Ohio. I am writing this letter to show my support for the village seeking out funding for drinking water infrastructure improvements. As we all know being able to supply safe drinking water to the residents should be one of the top priorities for any municipality. Receiving this funding would greatly increase the quality of our services by helping to replace aging lines, improvements at our plants, and future well development.

We look forward to working with you to help better the water system in Pomeroy and doing what we can for the residents of our village.

Nicholas A. Michael
Council President - Pomeroy, Ohio

March 23, 2023

Dear Congressman Wenstrup,

As you know, one of the major responsibilities of a municipality is to provide its residents with a safe, reliable water supply. A small community like Pomeroy struggles to meet the financial burden imposed by all of the costs associated with meeting that responsibility. We currently need to replace aged, failing main water lines, repair storage tanks, develop new production wells, replace lead service lines, and make repairs to our treatment plant.

I fully support the proposal to obtain direct congressional funding and want to thank you for your efforts in this endeavor. These projects are necessary to fulfill our obligation to provide a water supply that meets the needs of our residents and is critical for future economic development.

Sincerely,

Don M. Anderson
Mayor, village of Pomeroy

Congressman Brad Wenstrup

2335 Rayburn H.O.B.
Washington, DC 20515

Dear Congressman Wenstrup:

I am writing to express the full support of our office and members for the application from the Village of Pomeroy in Meigs County for improvements and enhancements to their water system. Pomeroy has been a leader in modernizing their water supply system to meet the needs of their citizens.

Pomeroy has worked proactively, with financial prudence, to modernize their water system and keep it safe. Pomeroy was one of the six communities polluted by C-8 contamination a decade ago and have worked tirelessly since then to provide clean and abundant water supplies and preserve the safety of the water for generations to come.

They would use these funds wisely and with transparent accountability. I would encourage consideration of this project as a funding priority.

Sincerely,

A handwritten signature in blue ink, appearing to read "Perry Varnadoe", with a long, sweeping flourish extending to the right.

Cincinnati, OH 45245

Dear Representative Wenstrup:

We are writing to express support for the Village of Pomeroy's efforts to access funding for water service improvements in the village.

Water infrastructure in the village is dated and service is frequently interrupted, with "boil alerts" being common. It is more than an issue of convenience, it is a matter of public health. Updating infrastructure is necessary to create a healthier environment for Pomeroy residents.

We fully support these efforts, and request that you do everything in your power to make them possible. Thank you for your support in this matter.

Best regards,

Handwritten signatures of Steve Musser and Barbara Musser in cursive script.

Steve and Barbara Musser

U.S. Representative Brad Wenstrup
4350 Aicholtz Road
Cincinnati, OH 45245

Dear Representative Wenstrup: (also Senator Sherrod Brown)

I am writing to express my support for the Village of Pomeroy's efforts to pursue funding to proceed with water projects in the village.

It is critical for the Village of Pomeroy to be able to reduce the risks to our citizens and surrounding areas from aging water infrastructure and increase the health and safety of the people who live in and visit Pomeroy.

For these reasons, I am in full support of these efforts to invest in public safety for the Village of Pomeroy.

Please contact us if you have any questions or require more information.

Sincerely,

A handwritten signature in black ink, appearing to read "Julianne & Brian Howard". The signature is written in a cursive, flowing style.

March 9, 2023

Dear Congressman Wenstrup,

This letter is to convey the support of the Meigs County Commissioners for direct funding for drinking water projects within the village of Pomeroy, Ohio. As you are aware, a clean, safe, reliable water supply is essential for the residents of Pomeroy as well as being critical for economic development in the community. Thank you for your efforts in helping us procure the necessary funding.

Sincerely,

Meigs County Commissioners
