The Honorable Rosa DeLauro

Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Pomeroy Water System Improvements Project in fiscal year 2024. The entity to receive funding for this project is the Village of Pomeroy, OH, located at 660 East Main Street, Pomeroy, OH 43148. The funding would be used to assist the Village of Pomeroy with their contaminated and aged water wells, address failures in the water storage facilities, upgrade the water treatment plant to replace old, outdated, and non-operational control valves, as well as replace several thousand feet of failing water main and lead service lines.

The project is an appropriate use of taxpayer funds because it will allow the Village to eliminate several potential health threats associated with the wellfield and storage system and with the distribution system and lead service lines. The federal assistance will allow the work to be performed at reduced cost to the village, which benefits customers who will have affordable rates in an economically stressed area.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad R. Wenstrup". The signature is fluid and cursive, with a long horizontal stroke at the end.
